James Lever

Rope & Twine Manufacturers Since 1856

Bungee Cords - Shock Cords - Bungee Ropes

James Lever have been manufacturing ropes, twines and cords in Bolton since 1856. Our high quality 'Everlasto' bungee cords are manufactured with a tough and hard wearing braided synthetic outer covering a highly elastic and durable natural rubber core. Our shock cords are UV resistant, waterproof and wear resistant and will give years of service.

In addition to the cord itself which is available by the randed hank or reel, we also stock a great range of bungee cord fittings and assemblies such as metal and plastic shock cord hooks and hog rings, ideal for making custom luggage elastics to the desired specification.

Ideal For

Marine & Sailing Boats, Camping, Trailer Covers, Roof Racks, Pick-Ups, Tarpaulins and Banners
